We can ask him but it wasn't attached to the paperwork when we looked....I will double check my desk to see if it got left behind.

Then it probably was returned to Bob in the envelop. Or, it's still sitting in the office waiting for him to pick it up.

I recall it too - as Miki and I were catching up and dividing up the checks ...I recall "oo what's ACWM?" ...took me a sec to recall Ag Commissioner Weights & Measures, but I don't have the check :(...got home, so happy to finally post these pups and it wasn't there with my other two checks ..I've looked everywhere.

As I recall, it was in the pile I left for Cynthia to pick up.

Hi Bob,

Thanks for sending over a bunch of checks the other day. Did you cut a check for the market's annual permit. It would be made out to **ACWM for the amount of \$370**. I recall seeing it when I was

over with Miki going through the checks. I grabbed my check, another check for the quarterly fees, but didn't seem to have grabbed the ACWM check - I've checked everywhere on my end, I don't have it and per below, I've traded emails with Miki to see if perhaps the ACWM check is still over at the BID office and it doesn't seem to be there. Can you confirm that it was issued and if it was -- should we cancel and reissue a new one?? Sorry about the inefficiency of this but it's a timely one, we need to get this done straight away as the permit application and check was due January 31st. I spoke with the inspector, we likely won't be charged a penalty but we need to get this in as soon as possible, over the next couple of business days.

Thanks for your help with this,

Best,

Cynthia

Hey Miki,

I didn't grab one of the checks I should have - do you see one in your stack for \$370 made out to ACWM as detailed below?? Can you mail that with the filled our forms (attached) to the address listed below ...or did Bob already pick up the remainder? if he did, he's mailed these pups out a number of times and can help. Main thing is they are late so hope to get this in the mail by tomorrow afternoon if possible.

Best,

Cynthia

Hi Don, Miki,

Attached is our application for the market certificate, our annual agriculture permit. Please print and include a check for **\$370** made out to ACWM and mail to the address listed below. This is due by 1/31 so we have time but I'd send ours out within the next 10-14 to be on the safe.

And that's a wrap for fees, we don't have anything until 2017's first quarter due later in April and then our Health Permit later in June,

Best,

Cynthia
